

# Rainbows, Railroads and Rhymes

RAINBOWS, RAILROADS AND RHYMES provides a rich musical repertoire that fits perfectly into daily life with children. Featuring songs for mealtime and bedtime, you and your child will love singing and dancing through your daily activities together. The songs tell stories that capture the imagination of listeners young and old. Many lively tunes are included, as well as a few lullabies to help you send your little child off to Dreamland. Features performances by the Konza Swamp Band and a "Buggie" song shared with Anne by Mr. Pete Seeger.
